

Host
your own

Virtual Crafternoon

Do your own thing and crafty ideas

There are several ways you can get involved with our Virtual Crafternoon this September and raise money for our charity.

1. Host an online Virtual Crafternoon inviting friends and family to take part.
2. Do a craft independently and donate yourself or ask friends and family to donate. Why not give yourself a crafting challenge and ask people to sponsor you to make X amount of items a day/week or during September.
3. Craft and sell or give away your items to friends and family for donations.

Choose your option

1

Host your Virtual Crafternoon

You're confident with hosting your Crafternoon online and/or maybe you've organised one before in person. We've some top tips in our other Crafternoon pack to help your event go smoothly.

You don't have to be a crafting expert - set a date, craft together and just have fun.

Top tip

If you feel uncomfortable asking people for donations at the moment, complete a craft and simply make a donation yourself.

2

Do your own thing!

Maybe you've got a project on the go already or something you've wanted to do for ages but just haven't got round to it.

Here's your incentive - get cracking with it, tell your friends and family and complete your craft. Make a donation when finished or ask your friends and family to.

2

How many crochet items can you make in a day? Can you finish that cross stitch you started 5 years ago by committing to complete 100 stitches every day? Set the world record for how many facemasks anyone has ever made?

This could be your challenge, or something else - get your friends and family to sponsor you to complete it!

Craft & donate

Love crafting and making things for people? Ask people what they would like - cakes, clothing alterations or a drawing or painting - and ask them to donate.

3

We'd love to hear from you

If you have any questions or would like to talk through ideas about your Virtual Crafternoon please get in touch. We'd love to hear from you!
