

North Staffs Mind Trustee Vacancies

We are looking for Trustees to join our Board to enable us to continue to prosper. As a Trustee you will work in partnership with our leaders to define and steer our governance and strategy by providing support and challenge in equal measure.

North Staffs Mind is an independent charity run by local people for local people. We are one of 125 local Minds and receive support from throughout the Mind network. We provide a growing range of mental health services including counselling for adults and children and young people, training and supported housing and are extremely proud of the quality and progressive outcomes of our work.

We are particularly interested to meet people who offer skills and experience in one or more of the following areas:

- Legal and regulatory expertise
- Housing
- HR
- IT and digital service provision/development
- Marketing and PR – including social media

We aim to have a Board which reflects the diverse community in which we work, including those who may have direct experience of mental health problems themselves.

2020 marks an exciting time at North Staffs Mind as we continue to work towards our vision which is 'We won't give up until everyone experiencing a mental health problem gets support and respect'. With 1 in 4 individuals experiencing mental health problems each year demand for our services is growing and the environment in which we work is challenging and changing. We are looking for individuals who share our passion and tenacity to achieve our purpose and in return offer the opportunity for our Trustees to work within a well-known brand to make a genuine difference to the lives of local people.

For more information or an informal chat about the role please contact Karen Wilson on 01782 262100. To apply please send a copy of your CV with a covering letter detailing your interest and summarising the particular skills and knowledge that you would bring to North Staffs Mind to karenwilson@nsmind.org.uk.
