

North Staffs Mind has exciting opportunities available for you to join our school counselling team! We are looking for fully qualified **School Counsellors to work in schools across Staffordshire.**

About Us

North Staffs Mind has been delivering a range of respected, client-focused and high-quality services for adults, children and young people in North Staffordshire since 1976. We pride ourselves on our relaxed and friendly atmosphere and our commitment to delivering high quality, client focused, professional services.

About the Service

Our well-established school team are proud to work in multiple schools and Academy Trusts across the Staffordshire area. New commissions are regularly acquired as we broaden our reach to provide the highest quality counselling support to children and young people within the school environment.

We are committed to equal opportunities and work with people from different cultural backgrounds, using interpreters when necessary and the service is available for young people from age 4 to 19 years old.

About You

We are looking for a fully qualified Counsellor with a real passion for supporting young people experiencing mental health issues.

You should be flexible, approachable and committed to working as part of a multi-disciplinary team in order to achieve the best possible outcome for every person you work with.

You should be adaptable in approach as you will be providing goal focused and evidence informed therapeutic interventions tailored to the individual client.

The Details

In return we offer a varied and rewarding role in a people-focused organisation that strives to improve the mental health and wellbeing of our local communities.

You will be based in an individual school(s)* as well as the Dudson Centre, Hanley and may also be expected to work remotely from home during the ongoing pandemic.
