

## **North Staffs Mind Trustee Vacancies**

We are looking for Trustees to join our Board to enable us to continue to prosper.

As a Trustee you will work in partnership with our leaders to define and steer our governance and strategy by providing support and challenge in equal measure.

North Staffs Mind is an independent charity run by local people for local people. We form part of the Mind Federation and receive support from throughout the Mind network.

We provide a growing range of mental health services including counselling for adults and children and young people, training and supported housing and are extremely proud of the quality and progressive outcomes of our work.

We are particularly interested to meet people who offer skills and experience in one or more of the following areas:

- Legal and regulatory expertise
- HR
- IT
- Marketing and PR
- Business, leadership and entrepreneurship

We aim to have a Board which reflects the diverse community in which we work, including those who may have direct experience of mental health problems themselves.

2021 marks an exciting time at North Staffs Mind. We have responded well to the ongoing covid pandemic, adapting our services and demonstrating immense organisational resilience and agility.

We have launched an ambitious new Strategic Plan that will guide our work and share a clear organisational purpose as we look to build on our past successes and continue to focus on delivering services that meet the changing needs of local people.

We are looking for individuals who share our passion and tenacity to achieve our purpose and in return offer the opportunity for our Trustees to work within a well-known brand to make a genuine difference to the lives of local people. For more information or an informal chat about the role please contact Kate Boundy on 01782 262100.

To apply please send a copy of your CV with a covering letter detailing your interest and summarising the particular skills and knowledge that you would bring to North Staffs Mind to [kateboundy@nsmind.org.uk](mailto:kateboundy@nsmind.org.uk).
